## FINAL EVENT: CLOSING OF THE ESCAPE PROJECT

on February 4, 2026, two group sessions were held at Firda, Sneek to conclude the Escape project. The event was attended by teachers, students and some professionals, all working or studying in the field of Healthcare.

# Firda

The closing conference was meant to inform and update the audience for the last time, focusing on the conclusions and results of the two-year Escape project.

The emphasis was put on the use of the Escape-website, coaching the audience to use it and develop their own escaperooms using the Escape project. It was a positive closing of a great project!
